

Heritage/Covenant Shuttle Bus PLEASE RETURN FORM TO HERITAGE

As a convenience to the parents, the board of Heritage Christian School operates a shuttle bus between Heritage and Covenant. This bus arrives at Heritage at 7:40, drops off the Heritage students and then the Covenant students can board. The bus then leaves Heritage at 7:45 to arrive at Covenant before 8:10. In the afternoon, the bus leaves as soon as possible and arrives back at Heritage at 3:05, where Covenant students are dropped off.

You can sign up for round-trip shuttle service, one-way shuttle service or we can do an adjusted rate if your student needs to ride only part of the school year. If your student is only riding occasionally, they will need to sign the sheet when they ride and you will be invoiced monthly for their rides. For current rates check the Forms tab on our website: www.heritageprschoo.com.

If you have other children at Heritage and you are already paying for busing for them, your high school student can ride this bus to Heritage at no additional charge; however, there will be an additional charge for your high school student to continue on to Covenant. High school students **MAY NOT** ride Hudsonville Public's buses to get to Heritage.

If you do not have other children riding a Heritage bus and you live on Heritage's route, you can email the transportation supervisor at transportation@hchr.org to be added to a route. You will be charged the same bus rate as Heritage families in addition to the shuttle bus fee.

There will be times when the shuttle bus will not be running or will be an abbreviated run. You will need to watch CCHS daily announcements to be aware of these times.

If you would like to have your high school student(s) ride the shuttle bus, please fill in the form below and **return it to Heritage Christian School by August 24**. Once we hear from you, we will work out your rate and you will be invoiced in September. If you have any questions, you can email businessoffice@hchr.org.
