SONG OF THE WEEK

Psalter # 373

O praise ye the name of Jehovah,
Proclaim ye His glory abroad;
O praise Him, ye servants appointed
To stand in the house of our God.

Great nations and kings that opposed Him
Were smitten by God's mighty hand;
Their riches He gave to His people,
And made them inherit the land.

Congratulations to our 4 RoboPanther Lego Robotics teams on their completed season! The teams' robots did well at RoBowl VIII at Hope School this past Saturday, with 2 of the teams having their highest score for the season! For the Innovation Project (where the teams must construct a real-life solution to a problem related to this

The RoboPanthers Lego Robotics teams are also looking for possible sponsors who are willing to help pay some of the annual costs of maintaining our robots and purchasing the field we use each year. If you or your business are interested in helping us out, please let us know by December 15 by sending an email to jaholstege@hchr.org. Thank you!

Yearbook ordering and sponsor information:

- **YEARBOOKS SHOULD BE PRE-ORDERED!** Pre-ordering guarantees you a book. We will order extras for those who don't pre-order, but once the extras are gone, you won't get a yearbook. Please fill out the form on the back of the memo to pre-order a book and send it in to either office WITH PAYMENT. 8th grade parents – remember, each 8th grader receives a complimentary yearbook. Don't order one for them!

- Sometime in the next couple of weeks you will be receiving a phone call from the students who are on the yearbook staff. These students will be giving you the option to be a patron (\$50) or page sponsor (\$100) for this year's yearbook. All patrons and page sponsors receive a free yearbook if they are interested. Send the form from below and payment to the main office.

- The yearbook has two deadlines, one in December, and one in February. The staff would love to have some of the patrons and page sponsors before the December deadline! You can also use it as a tax write-off. Please consider sending it in ASAP instead of waiting until just before the February deadline!

year's robot theme of "SuperPowered"), Team 4.0 (Caleb Boven, Gavin Heyboer, Morgan Karsemeyer, Micah Vink, Olivia Wigger, and Tessa Wigger) brought home the trophy for their project. Well done!
